Dear David,

It is with great pleasure that AAA Auto Club South recognizes Affordable Locksmith as a 2009 Service Provider of Excellence!

The Service Provider of Excellence distinction is one that puts you in a category of the best of the best. It is because of your commitment to world class service, valuing safety in all that you do, solving problems at the roadside, training your service technicians so they are fully prepared, and the way you give back to the community. These are values of excellence...and Affordable Locksmith demonstrates them all.

We are proud of our relationship with Affordable Locksmith. Thank you for all that you do for AAA members and congratulations on being selected for this very special recognition.

Sincerely,

Ed Schatzman
Senior Vice President, Automotive Services
